

Our Mission statement

You in Mind (Homecare) Limited are committed to providing a high standard of care and support to you in your own home helping you to remain as independent as possible, whilst having the security and comfort of your own familiar surroundings.

Our staff will meet your safeguarding and care needs, whilst providing you with dignity, respect and a caring and friendly face.

We will work closely with you, your family and those important to you, listening to you about your needs and wishes, including these in your personalised care plan, respecting your diversity, preferences and life choices.
